Haryana Medical Council Reg. No. HN-017323 · Full profile, teaching record and publications: **bhushankathuria.com**

Dr Parmod Jangra

Course Coordinator

Consultant, MBBS, MS (ENT). Rhinology, otology and allergy. Coordinates schedules, logbook review and assessments.

Dr Harshvardhan

Course Coordinator

Consultant, ENT. General ENT, vertigo and tinnitus. Supports OPD teaching and fellow orientation.

Fellows. Doctors from India and abroad have trained with the team through fellowship and observership, and many now practise independently. Each doctor's independent work is their own achievement. Applications are currently invited for the next intake.

A typical week

- Supervised OPD and diagnostic sessions
- Operative sessions, as lists permit
- Pre-operative planning and imaging review
- Post-operative and complication review
- Case presentations, journal club and seminars
- Logbook and reflection time

Learning resources

- Free courses and dissection videos on genextmed.org/courses
- Surgical Perspective books and the Within the Temporal Bone manual
- Referenced case reports with operative video
- Workshops and NWZ-AOICON scientific programmes
- Surgical insights, case perspectives and patient education on bhushankathuria.com
